## Sample questions for Wendy Kupfer, author of *Let's Hear it for Almigal*

1. *Let's Hear it for Almigal* is such an upbeat and motivational book for children, and it's obvious that hearing loss is an issue near and dear to you. Can you give us the story behind the book?
2. How much of Almigal's story is based on your own daughter Ali's?
3. How did it feel when you first learned your daughter couldn't hear?
4. Ali – an adult now - knows how to sign, but only because she learned it in foreign language classes. Why didn't you use this as she was growing up?
5. Did you ever want to just give up?
6. What is the most important lesson that you learned, that you would like to pass on to other parents of children with hearing loss?
7. Are cochlear implants the best option for children with hearing loss?
8. You are at an age when most people want to retire, yet you have jumped into a new venture. Why now?
9. You mention that 5% of sales from your book will support deaf children. Can you elaborate on that?
10. What's next for Almigal? Any more stories or books you are working on?
